

Curriculum Vitae

Kálmán Liptai

professor, head of Department of Applied Mathematics
Institute of Mathematics and Computer Science
Eszterházy Károly University
Eger, Hungary
e-mail: liptai.kalman@uni-eszterhazy.hu

Degrees

- 2011 Habilitation in mathematics and computer science (University of Debrecen)
- 1997 PhD in mathematics and computer science (University of Debrecen)
- 1986 MSc in mathematics-physics teacher (Lajos Kossuth University)

Positions

- from 2003 professor, Eszterházy Károly College (Eszterházy Károly University at present), Eger
- 1997-2003 associate professor, Eszterházy Károly College, Eger
- 1987-1997 assistant professor, Eszterházy Károly College, Eger

- from 2013 rector, Eszterházy Károly College (Eszterházy Károly University at present)
- 2006-2013 dean, Faculty of Science, Eszterházy Károly College
- 2003-2013 head of Institute of Mathematics and Computer Science, Eszterházy Károly College

Research interest

- number theory

Teaching experience

- mathematical analysis
- cryptography
- computer algebra

Memberships

- member of editorial board of *Annales Mathematicae et Informaticae*
- member of editorial board of *Teaching Mathematics and Computer Science*
- member of public body of Hungarian Academy of Science

Languages

- Hungarian (native)
- English (B2)
